April 10, 2018

Dear FRIENDS of Canadian Broadcasting;

Ontario's New Democrats are proud to support Ontario's educational public service broadcasters.

Our democratic institutions depend on an informed electorate. For generations of Canadians, public broadcasting in both official languages has played a vital role in their education – political or otherwise. From educational early childhood programming to in-depth investigative reporting on the issues that matter to Canadians, New Democrats value and appreciate the important work done by Canadian public broadcasters – including TVO and TFO in Ontario.

Public broadcasting has also played a critical role in developing, supporting, and promoting home-grown talent in the TV and film industries in Canada – now a major economic driver in Ontario, and a source of pride for millions of Canadians.

A New Democratic government in Ontario would ensure stable funding for TVO and TFO, and look for new opportunities to develop and enhance the role public broadcasting plays in Ontario.

On behalf of Ontario's New Democrats, I would like thank you for the work you do, supporting and promoting public broadcasting in Canada.

Sincerely,

Andrea Horwath
